

Who should I contact if I have questions about B11 Standards?

B11 Standards, Inc. considers education about standards and the standardization process to be an important part of its role and routinely fields related questions. Through a partner organization, a challenging machinery safety certification program is offered to professionals who wish to increase their knowledge and enhance their credibility. For more information about the B11 Licensed Machinery Safety Specialist (B11 LMSS) program, go to www.B11LMSS.com.
